

To Our Valued Independent Contractors,

Not only does SmartDrive offer you added protection through exoneration, but you can now save even more money when you choose to install a SmartDrive Event Recorder system in your equipment. We've had several instances, some that could have been significant in cost, in which the event recorder data has shown that a crash was not the fault of the United Road Independent Contractor. There is great value in that protection, particularly to professional business owners like you.

You should consider the benefits of an event recorder that is linked to your truck AND brings you significant savings and incentives as well.

2022-2023 Cost Savings:

30% discount on Auto Liability Insurance Cost

Effective once the system is installed and the Operating and Lease addendum is returned

2022-2023 Auto Liability Costs:

- Stinger and large capacity trucks – \$9,000 annual (\$750/month)
- Three car haulers - \$7,500 annual (\$625/month)

Let's look at your **savings** for 2022-2023 on Auto Liability Costs:

- Stinger and large capacity trucks –\$2,700 annual (\$225/month)
- Three car haulers - \$2,250 annual (\$187.50/month)

**The Math - you spend just \$15 per month and you
save \$225 per month in 2022 and 2023.**

Similar to the Pedigree ELD, the SmartDrive Event Recorder purchased through United Road will be installed for no charge in your truck (a \$200 value); and will be owned by the company and leased to you for only \$15 per month. All you need is an Order Form emailed to EventRecorders@unitedroad.com and we will schedule installation. The savings start when the Event Recorder is installed, so don't wait! Importantly, a portion of your escrow may be used if an Event Recorder is damaged. Deinstallation costs are also United Road's if done by a United Road shop.

Remember, the SmartDrive Event Recorder system is OUTWARD FACING ONLY. There is no in-cab monitoring (video or audio) of the driver.

We encourage you to consider implementing the SmartDrive Event Recorder system to help protect your business. Now is the time so that you take full advantage of the generous incentives available to you through United Road.

If you have questions, please contact EventRecorders@unitedroad.com for assistance.
